### esp landscapers

esp landscapers is a major provider of landscaping services to the leisure and property industry in Mauritius.

Our company offers a variety of services including landscape design, installation, irrigation and maintenance, for any project whether large or small.

Being part of the ENL Group, esp landscapers has access to the extensive resources of ENL Agribusiness, namely the Domaine de Bel Ombre, the Mon Desert Alma Sugar Estate and the Savannah Sugar Estate. With these three bases of operations, esp landscapers can offer its services island wide.

esp landscapers specializes in the following activities:

- \* Nursery production of indigenous and exotic plants, which include trees, palms, and shrubs
- \* Field production of 3 varieties of instant lawn
- \* Landscape design and installation
- \* Irrigation design and installation
- \* Landscape and irrigation maintenance
- \* Landscape restoration

At esp landscapers, we strive to create unique and personalized landscapes using our extensive experience and expertise.

We are committed to showing passion, devotion and a strong affection to every detail.
